(FOR ADDRESS ONLY)

Rhoda Island. Picturesquely situated on the Nile near Old Cairo, with ancient palaces and tombs and hills honeycombed with caves; some of which have painted walls and were once used for Christian worship. The scene depicted here is placid enough with its palm trees, silvery in the early morning, and more romantic still when the full moon rises pale upon a warm sky, and the river flows softly with its long-drawn reflections of Citadel and Temple and Tomb.
